

What We Offer

We offer fiscal sponsorship which includes:

- Operation under our 501(c)(3) umbrella.
- Back-office support for financial, administrative, human resources, and grants management services.
- Advisory consultation to build an efficient and cost-effective project.

Benefits

Ideal for individuals, organizations, and social entrepreneurs that:

- Need 501(c)3 status,
- Could use the back-office support of an accountable and well-managed nonprofit,
- Want to bring together groups to collaborate on an issue or have time limited goals, or
- Are looking for financial or administrative help.

Project fit with RC&D

If your project is right for RC&D assistance, becoming a project is a straightforward, simple process. Our goal is to help you get moving and making an impact as quickly as possible. To be considered, projects must:

- Benefit the geographic area of your RC&D organization.
- Be charitable in purpose and support our mission.
- Have a clear program mission and strategy.
- Have a fully developed project plan to fulfill your mission and a budget that supports your plan.
- Have a detailed, researched funding plan to raise the money you need for your budget.
- Be willing to operate under the nonprofit rules that regulate the RC&D program.
